Bessborough Restaurant

Set against the backdrop of thrilling world-class horseracing, Ascot Racecourse is delighted to present the very latest fashions from the catwalks of London, Paris, Milan and New York in the Bessborough Restaurant at Royal Ascot 2008.

Combining luxury and elegance, the Bessborough Restaurant is situated on the top floor of the triple decker marquee in the beautiful Old Paddock area of the racecourse, close to the west end of the Grandstand. Under the 'parasol' roof, designed to complement the architecture of the Grandstand, this double-height restaurant with a private balcony offers superb views of the racecourse and Windsor Great Park.

From classic lines to the avant garde, the Bessborough catwalk brings together top designers from around the world, presenting the very latest male and female couture. Whether you are a trailblazing fashionista or prefer timeless classic lines, this is the place to be, at this year's Royal Ascot.
