

# Senior Designer

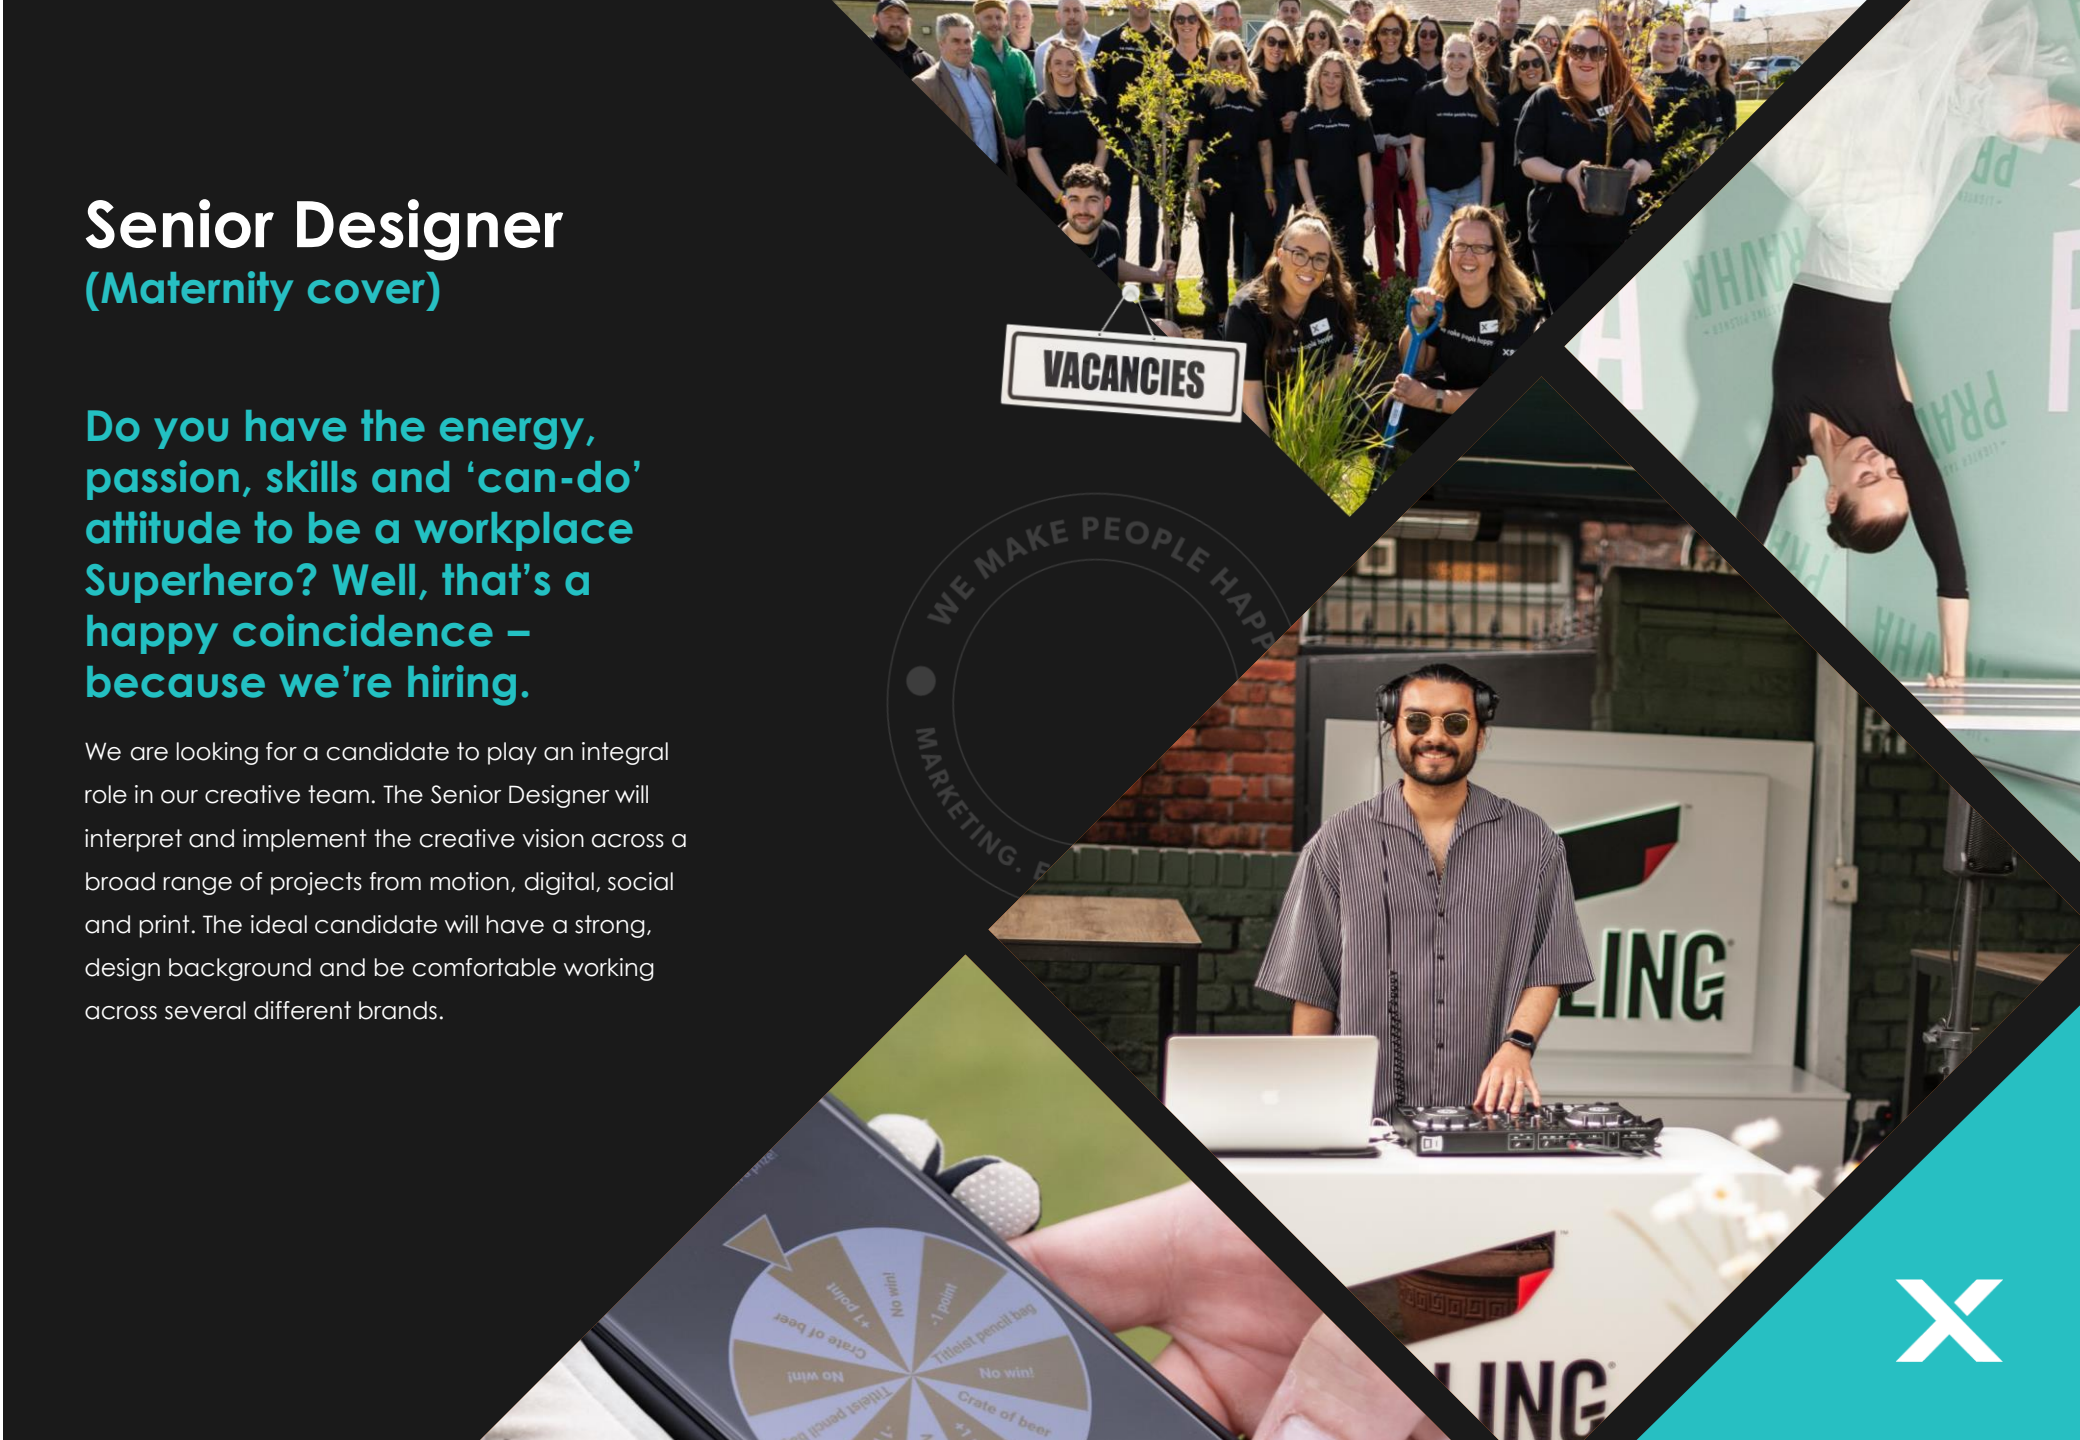

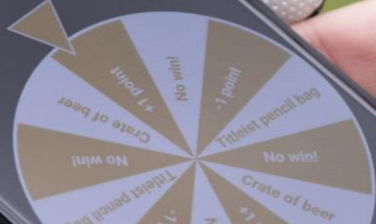

(Maternity cover)

Do you have the energy, passion, skills and 'can-do' attitude to be a workplace Superhero? Well, that's a happy coincidence – because we're hiring.

We are looking for a candidate to play an integral role in our creative team. The Senior Designer will interpret and implement the creative vision across a broad range of projects from motion, digital, social and print. The ideal candidate will have a strong, design background and be comfortable working across several different brands.

VACANCIES

WE MAKE PEOPLE HAPPY  
MARKETING. E

## About us

---

**At #TeamXSEM, we like to think of ourselves as creative Superheroes! Why? Because we create unforgettable experiences for clients across the globe, with game-changing results that keep them coming back for more.**

From marketing and brand activation to events and company reward schemes, we dig deep to get to the heart of our clients' challenges, then use our energy, creativity and cunning to overcome them. In short, we make people happy!

## What's in it for you?

---

This role is maternity cover and will be for a minimum of 9 months. The salary is up to £35,000 per annum, based on experience. The right person will also enjoy our brilliant employee benefits package which includes a healthcare cash plan, training, employee referral scheme and long service awards – plus a few extras: team activities and away days (such fun) and an enhanced parental leave and company pension. Oh, and we're a dog-friendly office. Yes, we like to make dogs happy as well as people!

XSEM Ltd 3 Bowling Green Terrace, Holbeck, Leeds LS11 9SP
